Dear Tammy. Thank you for speaking with me this afternoon. My Rotary club, Sunrise Rotary of Vero Beach, through our charitable foundation is hosting our fifth annual craft brew and Wing fest on Royal Palm Pointe Saturday, February 20. Because alcohol will be served pursuant to a one-day permit, it is my understanding that we must come before city Council for approval of the event since it is taking place in a city park.

Please add us on the next available agenda which I understand will be February 2. Thank you.
