Chamber of Commerce

To: The Members of the City Council, Vero Beach, Florida

Attention: City Clerk. Ms Tammy Vock

Re: Approval to Serve Alcoholic Beverages at City Park

for Pirate Fest July 29 to July 31, 2016

As the sponsor of the Pirates of The Treasure Coast event, called Pirate Fest, the Vero Beach Chamber of Commerce has received approval from the City's Recreation Department for the use of Riverside Park and Royal Palm Pointe on the above dates and is now seeking approval from the City Council to serve alcoholic beverages at this event. The summary page of the Recreation Department's approval is attached for you reference.

This will be the second annual Pirate Fest at the City's Park. As you may recall, last year's Pirate Fest was a very successful event attended by an estimated 10,000 plus visitors and residents in spite of some rainy conditions.

With the Pirate Fest being held in July, this event provides a boost to the City's economy during traditionally quieter times for our locally businesses.

With the very favorable feedback from last year's attendees and the increased promotional activities underway by the Vero Beach Chamber of Commerce and the Pirates of The Treasure Coast organization, attendance at this year's Pirate Fest is expected to be even larger.

On behalf of the 2016 Pirate Fest, thank you for your approval to again serve alcoholic beverages at this important event for the City of Vero Beach and the local business community.

Respectfully submitted

Vero Beach Chamber of Commerce
