- (a) For purposes of this Lease:
 - (i) **“Pollutant”** shall mean any hazardous or toxic substance, chemical, material, or waste of any kind, petroleum, petroleum product or by-product, contaminant or pollutant as defined or regulated by Environmental Laws.
 - (ii) **“Disposal”** shall mean Pollution as defined in § 376.301(37) of the Florida Statutes Annotated (provided that for purposes of this Section “pollutants” in § 376.301(37) shall mean Pollutants as defined herein) and the release, storage, use, handling, discharge or disposal of Pollutants.

(b) Prior to the Effective Date, Tenant may perform a baseline Environmental Assessment of the Premises, Transmission and Distribution Easement Parcels and/or the Access Parcel (**“Environmental Assessment”**). Pursuant to the Agreement for Sale and Purchase, Landlord has agreed to perform or remain responsible for the Remediation of all Pre-Existing Conditions. During the Term, Tenant shall operate Substation 5 and maintain and monitor the Premises, Transmission and Distribution Easement Parcels and the Access Parcel in accordance with good industry practices.

(d) Tenant shall be responsible, at Tenant’s sole cost and expense, for commencing and thereafter performing, or causing to be performed, any and all assessments, cleanup and monitoring (collectively, **“Remediation”**) of all Pollutants disposed of by Tenant in violation of Environmental Laws during the Term, as a result of use or occupation of the Premises or use of the Access Parcel and Transmission and Distribution Easement Parcels by Tenant, its agents, licensees, invitees, subcontractors or employees (provided, however, that the foregoing shall not in any way limit any liability, obligations or rights of Tenant or Landlord, to the extent independently arising under the Agreement for Sale and Purchase, as modified and amended). In the event any Remediation is necessary as required in the previous sentence, then Tenant shall furnish to Landlord within a reasonable period of time written proof from the appropriate local, state and/or federal agency with jurisdiction over the Remediation that the Remediation has been satisfactorily completed in full compliance with all Environmental Laws.

(e) For good and valuable consideration, the adequacy and receipt of which are hereby acknowledged, Tenant shall indemnify, defend and hold harmless Landlord from and against, and pay, reimburse and fully compensate as the primary obligor Landlord for, any and all claims, suits, judgments, loss, damage, and liability which may be incurred by Landlord, including but not limited to Landlord’s reasonable attorney’s fees and costs, which are proximately caused by the Disposal of any Pollutants in violation of Environmental Laws by Tenant, its agents, licensees, invitees, subcontractors or employees on the Premises, Transmission and Distribution Easement Parcels or Access Parcel during the Term. This responsibility shall continue to be in effect for any Disposal of Pollutants by Tenant in violation

of Environmental Laws for which Landlord provides written notice to Tenant on or before the second anniversary of the Expiration Date.

(f) For good and valuable consideration, the adequacy and receipt of which are hereby acknowledged, Landlord shall indemnify, defend and hold harmless Tenant from and against, and pay, reimburse and fully compensate as the primary obligor Tenant for, any and all claims, suits, judgments, loss, damage, and liability which may be incurred by Tenant, including but not limited to Tenant's reasonable attorney's fees and costs, which arises directly, indirectly or proximately as a result of any Pre-existing Conditions or other Disposal of any Pollutants which violate Environmental Laws which (i) occurred prior to the Effective Date, or (ii) was otherwise caused by Landlord, its agents, licensees, invitees, subcontractors or employees with respect to the Premises, Transmission and Distribution Easement Parcels or the Access Parcel.

(g) While this Section 7 establishes contractual liability for Tenant and Landlord regarding Disposal of Pollutants on the Premises, Transmission and Distribution Easement Parcels or Access Parcel as provided herein, it does not alter or diminish any statutory or common law liability of Tenant or Landlord for such Disposal of Pollutants.

(h) Landlord and Tenant acknowledge and agree that Landlord shall remain fully responsible for all Pre-Existing Conditions and Tenant shall have no responsibility or liability under the terms of this Lease for any of the Pre-Existing Conditions.

8. Non-interference and Use.

Easement Parcels or Access Parcel as provided by law. In accordance with the applicable provisions of the Florida Construction Lien Law and specifically Florida Statutes, Section 713.10, no interest of Landlord whether personally or in the Premises, or the leasehold interest granted to Tenant shall be subject to liens for work requested or caused to be made by Tenant hereunder. Further, Tenant acknowledges that Tenant, with respect to work, improvements or alterations made by Tenant or caused to be made by Tenant under this Lease, shall promptly notify the contractor performing such work or alterations or making such improvements to the Premises, Transmission and Distribution Easement Parcels or the Access Parcel of this provision exculpating Landlord's liability for such liens. Notwithstanding the foregoing, if any mechanic's lien or other lien, attachment, judgment, execution, writ, charge or encumbrance is filed against the Premises, Transmission and Distribution Easement Parcels, the Access Parcel or this leasehold, or any alterations, fixtures or improvements therein or thereto, as a result of any work, action or inaction done by or at the direction of Tenant, Tenant will discharge or remove such lien of record whether by payment or posting of an appropriate surety bond in accordance with applicable law within sixty (60) days following Tenant's receipt of written notice of the filing of such lien. In the event that Tenant fails to remove or discharge such lien within such sixty (60) day period, Landlord may do so, and Tenant will reimburse Landlord for all reasonable costs and expenses so incurred by Landlord within forty-five (45) days following receipt of Landlord's written request for reimbursement together with supporting documentation.

10. Insurance; Indemnity.

(a) **Insurance – Tenant.** Tenant shall maintain its self-insurance and a comprehensive property and liability insurance program with deductibles in excess of \$2,000,000.00 per occurrence.

(b) **Tenant Indemnity.** Tenant shall indemnify, defend and hold harmless Landlord and its elected and appointed officials, employees, agents and its Council (as defined in the Asset Purchase and Sale Agreement (each a "**Landlord Indemnatee**") from and against, and pay, reimburse and fully compensate as the primary obligor the Landlord Indemnatee for, any and all claims, damages, liabilities, costs and expenses (including reasonable attorney's fees and court costs at trial) arising from Tenant's use of the Premises, Transmission and Distribution Easement Parcels and the Access Parcel (but specifically excluding any liability arising from hazardous substances, as defined in this Lease, existing on, in, under or adjacent to the Premises, Transmission and Distribution Easement Parcels or the Access Parcel as of the Effective Date of this Lease or transported onto the Premises, Transmission and Distribution Easement Parcels or Access Parcel by third parties not acting on behalf of Tenant or with Tenant's authorization), or arising from any uncured breach or uncured default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease.

(c) **Landlord Indemnity.** Landlord agrees to indemnify and save Tenant and its employees and agents harmless against, and pay, reimburse and fully compensate as the primary obligor Tenant for, any and all claims, damages, demands, liabilities, costs and expenses (including reasonable attorney's fees and court costs at trial) for injury to or death of persons or property damage, arising from the negligence or willful misconduct of Landlord or the negligence of its agents, contractors or employees in or about the Premises, or arising from any uncured breach or uncured default in the performance of any obligation of Landlord's part to be

performed under the terms of this Lease. Landlord's obligations under this Section 10(c) shall be subject to the limitations set forth and provided for in Section 768.28 of the Florida Statutes with respect to injury to or death of employees or agents of Tenant or property damage of Tenant or its employees or agents, in each case caused directly by employees of Landlord

(d) **Actual Damages.** Notwithstanding any other provisions in this Lease to the contrary, neither party nor its partners, officers, directors, elected officials, appointed board members, employees, lenders or agents, shall be liable to the other for consequential or indirect loss or damage, including loss of profit, loss of use, loss of operating time, loss of revenue, increased costs of producing revenues, cost of capital, or loss of goodwill, on account of any defaults or breaches under this Lease. The parties further agree that the waivers and disclaimers of liability, indemnities, releases from liability, sole remedy provisions and limitations on liability expressed in this Lease shall survive termination or expiration of this Lease, and shall apply (unless otherwise expressly indicated), whether in contract, equity, tort or otherwise, even in the event of the fault, negligence, including sole negligence, strict liability, or breach of warranty of the party indemnified, released or whose liabilities are limited, and shall extend to the partners, officers, directors, elected officials, appointed board members, employees and agents and related or affiliated entities of such parties and their respective partners, directors, officers and employees.

(e) This Section 10 shall not apply to claims relating to Pollutants on the Premises which are addressed by Section 7 hereof and not this Section 10.

11. Taxes. Tenant shall pay the real property taxes for the Premises. As used herein, the term "**real property tax**" shall include any form of real estate tax or assessment, general, special, ordinary or extraordinary, and any license fee, commercial rental tax, improvement bond or bonds, levy or tax (other than inheritance, personal income or estate taxes) imposed on the Tenant's leasehold interest or the Premises or any portion thereof by any authority having the direct or indirect power to tax, including any city, county, state or federal government, or any school, agricultural, sanitary, fire, street, drainage or other improvement district thereof, as against any legal or equitable interest of Tenant in the Premises or in any portion thereof, but does not include any income tax or tax against Landlord's right to rent or otherwise receive income therefrom.

12. Utilities. Tenant shall pay for all water, gas, heat, light, power, telephone and other utilities and services supplied to the Premises and utilized by Tenant, together with any taxes thereon, upon same becoming due.

13. Assignment and Subletting. Tenant shall not transfer this Lease without the prior written consent of Landlord, which consent shall not be unreasonably withheld.

14. Default and Remedies.

(a) **Tenant Events of Default.** The occurrence of any one or more of the following events shall constitute an "**event of default**" under this Lease by Tenant:

(i) The failure by Tenant to make any payment of Rent or any other payment required to be made by Tenant hereunder, as and when due, which failure

continues for a period of forty-five (45) days following written notice from Landlord to Tenant.

(ii) Failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant, where such failure shall continue for a period of forty-five (45) days after written notice thereof from Landlord to Tenant. In the event the default cannot reasonably be cured within such forty-five (45) day period, Tenant shall not be in default if Tenant commences the cure within the forty-five (45) day period and thereafter diligently prosecutes the cure to completion.

(iii) (a) The making by Tenant of any general arrangement or general assignment for the benefit of creditors; (b) Tenant becomes a debtor as defined in 11 U.S.C. 101 or any successor statute thereto (unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days); (c) the appointment of a trustee or receiver to take possession of substantially all of Tenant 's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within sixty (60) days; or (d) the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within sixty (60) days.

(b) **Landlord Events of Default.** The occurrence of any one or more of the following events shall constitute an "*event of default*" under this Lease by Landlord:

(i) Failure by Landlord to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Landlord, where such failure shall continue for a period of forty-five (45) days after written notice thereof from Tenant to Landlord. In the event the default cannot reasonably be cured within such forty-five (45) day period, Landlord shall not be in default if Landlord commences the cure within the forty-five (45) day period and thereafter diligently prosecutes the cure to completion.

(ii) (A) The making by Landlord of any general arrangement or general assignment for the benefit of creditors; (B) Landlord becomes a debtor as defined in 11 U.S.C. 101 or any successor statute thereto (unless, in the case of a petition filed against Landlord, the same is dismissed within sixty (60) days); (C) the appointment of a trustee or receiver to take possession of substantially all of Landlord 's assets, where possession is not restored to Tenant within sixty (60) days; or (D) the attachment, execution or other judicial seizure of substantially all of Landlord's assets, here such seizure is not discharged within sixty (60) days.

(c) **Remedies.** If an event of default occurs hereunder and remains uncured after notice and expiration of the applicable cure period, the non-defaulting Party shall have the right at its option and without further notice, but subject to the limitations set forth in the last sentence of this paragraph, to exercise any remedy available at law or in equity, including without limitation, a suit for specific performance of any obligations set forth in this Lease or any

appropriate injunctive or other equitable relief, or for damages resulting from such default. The Parties agree that remedies at law may be inadequate to protect against any actual or threatened breach of this Lease. In the event of any breach or threatened breach, either Party shall have the right to apply for the entry of an immediate order to restrain or enjoin the breach and otherwise specifically enforce the provisions of this Lease. Notwithstanding the foregoing or anything to the contrary contained in this Lease, in no event shall any default or breach of this Lease, or any failure to perform any obligations under this Lease, terminate, or entitle any Party to terminate, rescind or cancel this Lease or the rights granted hereunder.

15. Condemnation. If the Premises, Transmission and Distribution Easement Parcels or the Access Parcel or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called “**condemnation**”), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If so much of the Premises, Transmission and Distribution Easement Parcels or Access Parcel is taken under the power of eminent domain such that the Premises is no longer suitable for its intended use or suitable access cannot be provided to the Premises, Tenant may, at Tenant’s option, to be exercised in writing only within ten (10) days after Landlord shall have given Tenant written notice of such taking (or in the absence of such notice, within ten (10) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Tenant does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises, Transmission and Distribution Easement Parcels or Access Parcel remaining, except that the base annual Rent shall be reduced in proportion to the area of the Premises, Transmission and Distribution Easement Parcels or Access Parcel taken bears to the area of the Premises, Transmission and Distribution Easement Parcels or Access Parcel. Any award for the taking of all or any part of the Premises, Transmission and Distribution Easement Parcels or Access Parcel under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Landlord; provided, however, that Tenant shall be entitled to any award for loss of Tenant’s leasehold interest.

16. Severability. If any provision or portion of this Lease shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction or other governmental authority, (1) such portion or provision shall be deemed separate and independent, (2) the Parties shall negotiate in good faith to restore insofar as practicable the benefits to each Party that were affected by such ruling, and (3) the remainder of this Lease shall remain in full force and effect.

17. Waivers. No waiver by any Party of any provision of this Lease shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by the other Party of the same or any other provision.

18. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

19. Binding Effect. This Lease shall bind the Parties, and their respective successors and assigns.

20. Signs. Tenant will be permitted to have one or more signs on the Premises which identify the Premises as an FPL Substation without Landlord's consent, except that any and all signs shall be installed and maintained in conformance with all applicable federal, state, and local laws and codes, including, but not limited to, the provisions of Landlord's sign ordinance.

21. Quiet Possession. Upon Tenant paying the Rent for the Premises and observing and performing all of the covenants, conditions and provisions on Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the Premises and use of the Transmission and Distribution Easement Parcels and Access Parcel for the entire Term and any Extended Term of this Lease.

22. Right of Entry. Landlord, or any of its agents, shall only have the right to enter the Premises during reasonable hours to examine the same and only when accompanied by a qualified employee of Tenant.

23. Force Majeure. In the event that any Party is unable to fulfill, or shall be delayed or restricted in the fulfillment of any obligation, or the curing of a default, under any provision of this Lease by reason of strike, lock-out, war, acts of military authority, rebellion or civil commotion, fire or explosion, flood, wind, storm, hurricane, water, earthquake, acts of God or other casualty or by reason of any statute or law or any regulation or order passed or made, or by reason of any order or direction of any administrator, controller, board or any governmental department or officer or other authority (other than, in the case of Landlord claiming relief under this Section, any statute or law or any regulation or order passed or made, or by reason of any order or direction of, any administrator, controller, board or any governmental department or officer or other authority of Landlord), or by reason of any other cause beyond such Party's control or not wholly or mainly within such Party's control, whether of the foregoing character or not, such Party shall, so long as any such impediment exists, be relieved from the fulfillment of such obligation and the other Party shall not be entitled to compensation for any damage, inconvenience, nuisance or discomfort thereby occasioned, or to terminate this Lease.

24. Counterparts. This Lease may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute but one instrument.

25. Brokerage. Landlord and Tenant each represent and warrant one to the other that neither of them has employed any broker in connection with the negotiations of the terms of this Lease or the execution thereof. Landlord and Tenant hereby agree to indemnify and to hold each other harmless against any loss, expense, or liability with respect to any claims for commissions or brokerage fees arising from or out of any breach of the foregoing representation and warranty. This provision shall survive the expiration or earlier termination of this Lease.

26. Attorneys' Fees. In the event that either Landlord or Tenant employs attorneys and brings suit in connection with the enforcement of this Lease or any provision hereof or the exercise of any of its remedies hereunder, each Party shall bear its own costs and attorneys' fees with respect to such suit.

27. Estoppel Certificate. Landlord and Tenant shall, from time to time and without additional consideration, execute and deliver to each other or to any person whom the requesting

Party may designate, within ten days after the request therefor (a) an estoppel certificate consisting of statements, if true, that (i) this Lease is in full force and effect, with Rent current through the date of the certificate; (ii) this Lease has not been modified or amended (or setting forth all modifications and amendments); and (iii) to the best of such Party's knowledge and belief, the other Party is not then in default (or if in default, specifying such default), and Tenant and Landlord have fully performed all of Tenant's and Landlord's obligations, respectively, required to have been performed under this Lease as of the date of the certificate; and (h) such further consents and instruments of a similar nature evidencing the agreement (subject to the provisions of this Lease) of Landlord or Tenant to the mortgage or other hypothecation by Tenant of the leasehold estate created hereby, as may be reasonably requested by Tenant or any leasehold mortgagee, or assignee or transferee of the interest of Landlord or Tenant, as applicable. Each and every such mortgage or other hypothecation by Tenant of its leasehold estate shall affect only Tenant's leasehold interest in the Premises under this Lease.

28. Notices. Every notice, approval, consent or other communication required or permitted under this Lease shall be in writing, shall be deemed to have been duly given on the date of receipt, and shall be deemed delivered if either served personally on the Party to whom notice is to be given, or mailed to the Party to whom notice is to be given, by overnight courier or by first class registered or certified mail (return receipt requested), postage prepaid, and addressed to the addressee at the address stated opposite its name below, or at the most recent address specified by written notice given to the other Party in the manner provided in this Section.
