Subject: February 16th City Council Meeting

Tammy-

As discussed yesterday afternoon, I would like to get onto the agenda for the February 16th city council meeting regarding the 2016 Vero Beach Air Show and related events being held on June 25th and 26th here in Vero Beach. Once again we are privileged to be hosting the US Naval Flight Demonstration Team (more commonly referred to as the Blue Angels) here in our community this June. We have been hard at work ever since the last show in 2014 to ensure that we not only bring the best performers we can to the 2016 show but to also build upon the previous show's success. Part of our commitment to the Blue Angels is to get them into direct contact with our community. Apart from the show itself, we will be hosting a free community event on the evening of June 25th at Riverside Park and would like to discuss this event in more detail with the council. We have partnered with the Buggy Bunch to coordinate another successful food truck event along with having live entertainment and family activities for all to enjoy. We would like to come before the council to ask for permission to sell beer and wine at our events to help offset the costs of hosting the air show and the community event. Thank you in advance for your time and I look forward to being before the council on the 16th.

Warmest regards,

David Walker
