The date of Closing is hereinafter called the "**Closing Date**." The Closing shall be effective for all purposes as of 12:01 a.m. on the Closing Date. Subject to Article VII, the Parties shall cause the Closing to occur as soon as possible after the Effective Date.

Section 3.2 Purchase Price.

Upon the terms and subject to the satisfaction of the conditions contained in this Agreement, in consideration of the aforesaid sale, assignment, conveyance, transfer and delivery

of the Acquired Assets, Buyer will pay or cause to be paid to Seller in accordance with Section 3.4 the sum of [One Hundred Million] Dollars (\$[100,000,000]) (the “Purchase Price”), plus or minus any adjustments to such Purchase Price pursuant to the provisions of Section 3.3 below.

Section 3.3 Adjustment to Purchase Price.

(a) Subject to Sections 3.3(b) and 3.3(c), the Purchase Price shall be adjusted, without duplication, to account for the items set forth in this Section 3.3(a):

(i) The Purchase Price shall be adjusted to account for the items prorated as of the Closing Date pursuant to Section 3.6;

(ii) The Purchase Price shall be adjusted for [_____]; and

The Post-Closing Statement shall be prepared using the same accounting principles, policies and methods as Seller has historically used in connection with the calculation of the items reflected on such Post-Closing Statement. Within thirty (30) days after the delivery of the Post-Closing Statement by Seller to Buyer, Buyer may object to the Proposed Post-Closing Adjustment in writing. Seller and Buyer agree to cooperate with one another to provide one another with the information used to prepare the Post-Closing Statement and information relating thereto. If Buyer objects to the Proposed Post-Closing Adjustment, the Parties shall attempt to resolve such dispute by negotiation. If the Parties are unable to resolve such dispute within thirty (30) days after any objection by Buyer, the Parties shall appoint the Independent Accounting Firm, which shall, at Seller’s and Buyer’s joint expense, review the Proposed Post-Closing Adjustment and determine, subject to Section 3.6(b), the appropriate adjustment to the Purchase Price, if any, within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The Independent Accounting Firm shall act as an expert and not as an arbitrator and shall make findings only with respect to the remaining disputes so

submitted to it (and not by independent review). The finding of such Independent Accounting Firm shall be binding on the Parties hereto. Upon determination of the appropriate adjustment (the “*Post-Closing Adjustment*”) by agreement of the Parties or by binding determination of the Independent Accounting Firm, the Party owing the difference shall deliver such amount to the other Party no later than two (2) Business Days after such determination, in immediately available funds or in any other manner as reasonably requested by the payee. Seller (to the extent Seller is required to make any such reports) shall report the transactions contemplated by this Agreement for all purposes in a manner consistent with the Allocation. Subsequent to the preparation of the

Estimated Allocation and the Allocation, Buyer and Seller agree to provide the other with any information required to complete Form 8594 or other filing or report within ten (10) days of the request for such information. Buyer and Seller shall notify and provide the other with reasonable assistance in the event of an examination, audit or other proceeding relating to the allocation of the Purchase Price pursuant to this Section 3.5. Buyer and Seller shall treat the transaction contemplated by this Agreement as the acquisition by Buyer of a trade or business for United States federal income Tax purposes and agree that no portion of the consideration shall be treated in whole or in part as the payment for services or future services.

Seller and Buyer agree to furnish each other with such documents and other records as may be reasonably requested in order to confirm all adjustment and proration calculations made pursuant to this Section 3.6.

(c) To the extent that the proration of an item under this Section 3.6 allocates a portion of such item to a period (or portion thereof) ending before the Closing Date, such portion shall constitute an Excluded Liability. To the extent that the proration of an item under this Section 3.6 allocates a portion of such item to a period (or portion thereof) ending on or after the Closing Date, such portion shall constitute an Assumed Liability.

Seller shall respond no later than ten (10) Business Days prior to the due date for filing such Tax Return. Subject to Section 6.8(d), not less than five (5) Business Days prior to the due date of any such Tax Return, Seller shall pay to Buyer its proportionate share of the amount shown as due on such Tax Return as determined in accordance with Section 3.6 of this Agreement. In the event Buyer and Seller cannot agree as to the preparation or the reporting of any material item on a Tax Return to be filed by Buyer, the dispute shall be settled in the manner provided by Section 6.8(d) and the cost of such Independent Accounting Firm shall be borne equally by the Parties; provided, that if the Independent Accounting Firm has not made a determination as of the date that such Tax Return is required to be filed, such Tax Return required to be filed by Buyer may be filed by Buyer in a manner consistent with Buyer's position, and such Tax Return required to be filed by Seller may be filed by Seller in a manner consistent with Seller's position; provided, further, that with respect to any such Tax Return that is filed prior to a determination by the Independent Accounting Firm, Seller and Buyer shall take all commercially reasonable steps to amend such Tax Return, if necessary, to reflect any material determination made by the Independent Accounting Firm.

(c) Each of the Parties shall provide the other with such assistance as may reasonably be requested by the other Party in connection with the preparation of any Tax Return, any audit or other examination by any taxing authority, or any judicial or administrative proceedings relating to Liability for Taxes or effectuating the terms of this Agreement, and each will retain and provide the requesting Party with any records or information which may be relevant to such return, audit or examination, proceedings or determination. Any information obtained pursuant to this Section 6.8(c) or pursuant to any other Section hereof providing for the sharing of information or review of any Tax Return or other schedule relating to Taxes shall be kept confidential by the Parties hereto, except to the extent such information is required to be disclosed by Law.

(d) In the event that a dispute arises between Seller and Buyer as to the preparation or the reporting of any material item on a Tax Return to be filed by Buyer or the allocation of such Taxes between Seller and Buyer, the Parties shall attempt in good faith to resolve such dispute, and any agreed amount shall be paid to the appropriate Party within ten (10) Business Days of the date on which the Parties reach agreement. If a dispute is not resolved within thirty (30) days of a Party having provided the other Party written notice of a dispute, the Parties shall submit the dispute for determination and resolution to the Independent Accounting Firm, which shall be instructed to determine and report to the Parties in writing, within thirty (30) days after such submission, upon such disputed amount, and such written report shall be final, conclusive and binding on the Parties. The Independent Accounting Firm shall act as an expert and not as an arbitrator and shall make findings only with respect to the remaining disputes so submitted to it (and not by independent review). Notwithstanding anything in this Agreement to the contrary, the fees and expenses of the Independent Accounting Firm in

resolving the dispute shall be borne equally by Buyer and Seller. Any payment required to be made as a result of the resolution of the dispute by the Independent Accounting Firm shall be made within ten (10) days after such resolution, together with any interest determined by the Independent Accounting Firm to be appropriate. Submission of a dispute to the Independent Accounting Firm shall not relieve any Party from any obligation under this Agreement to timely file a Tax Return or pay a Tax.

Prior to the Closing Date, Seller shall promptly (but no later than thirty (30) days after obtaining Knowledge thereof) notify Buyer of any changes or additions to the Schedules required by this Agreement with respect to any matter hereafter arising which, if existing or occurring at the date of this Agreement, would have been required to be set forth or described in such Schedules. Notwithstanding the foregoing, Buyer shall not be required to offer employment to any Seller Employees that were previously terminated for cause by Buyer or any of its Affiliates.

(f) Except as otherwise negotiated by the Buyer and the Union Representative, all Transferred Employees shall be granted credit for all service with Seller under all Buyer Benefit Plans in which such Transferred Employees become participants. (g) Except as otherwise negotiated by the Buyer and the Union Representative, effective as of the Closing Date, Buyer shall amend its defined benefit plan to provide Transferred Employees with a benefit equal to a Transferred Employee’s accrued benefit under the Seller Defined Benefit Plan as of the Closing Date. Seller will provide records to Buyer within ninety (90) days following the Closing Date setting forth the calculations of each Transferred Employee’s accrued benefit under the Seller Defined Benefit Plan as of the Closing Date. For the purposes of this Section 6.10(g), except as required by Law, with respect to Transferred Employees, no improvements shall be made to the benefit formula in the Seller Defined Benefit Plan after the Effective Date. Effective as of the Closing Date, except as otherwise negotiated by the Buyer and the Union Representative as of the Closing Date, Transferred Employees shall participate and accrue benefits solely pursuant to the benefit formula under the Buyer’s defined benefit plan and shall be credited with years of service with Seller for purposes of vesting (but not benefit accrual) under the Buyer’s defined benefit plan.

Buyer shall be responsible for providing COBRA continuation coverage only to Transferred Employees and qualified beneficiaries of such employees for COBRA qualifying events occurring after the Closing Date.

salary, wages, and Seller Benefit Plan benefits, and (b) all workers' compensation, disability benefits, or life insurance benefits for which entitlement to payment is based upon events occurring prior to the Closing Date including any incurred but unreported claims under the Seller Benefit Plans. Seller shall pay to Buyer, or permit an adjustment to the Purchase Price, the cash equivalent for all vacation time, floating holidays, sick days, personal days and bonuses and incentive compensation for Transferred Employees that have accrued but remain unpaid as of the Closing Date.

(k) Any individual who is otherwise a Transferred Employee but who on the Closing Date is not actively at work due to a leave of absence covered by the Family and Medical Leave Act or similar state or local Law, or due to any other authorized leave of absence, shall remain an employee of Seller and not become a Transferred Employee.

(d) During the Interim Period, Seller shall continue to pay all premiums for insurance policies described in Schedule 4.9, and Seller shall not amend in any material respect or cancel or fail to maintain any such insurance policies with the current insurance companies or

their successors or other financially responsible insurance companies in such amounts and against such risks and losses as are currently maintained. Prior to the Closing Date, Seller shall use Commercially Reasonable Efforts to purchase an extended reporting period of at least three (3) years on all claims-made policies included in Schedule 4.9 to allow for the reporting of any claims that may have taken place prior to the Closing Date that have yet to be reported. (c) Notwithstanding anything in this Agreement to the contrary:

(i) the representations and warranties contained in this Agreement shall survive for a period of twenty-fourth (24th) months following the Closing Date, except that (A) the Seller Fundamental Representations and the Buyer Fundamental Representations shall survive the Closing indefinitely, and (B) the representations and warranties set forth in Sections 4.10, 4.12 and 4.18 shall survive until sixty (60) days following the expiration of the applicable statute of limitations with respect to the matters covered thereby; **[NOTE: SURVIVAL OF REAL ESTATE REPS TO BE DISCUSSED WITH OVERALL RESOLUTION OF REAL ESTATE RIGHTS TO BE TRANSFERRED]**

(ii) the covenants and obligations of the Parties set forth in this Agreement shall survive the Closing until sixty (60) days following the expiration of the applicable statute of limitations applicable to contracts, and the Parties shall be entitled to the full performance thereof by the other Parties hereto within such time period, except that each Party’s obligations under this Article VIII shall survive the Closing indefinitely; **[NOTE: SURVIVAL ANY REAL ESTATE COVENANTS TO BE DISCUSSED WITH OVERALL RESOLUTION OF REAL ESTATE RIGHTS TO BE TRANSFERRED]**

(iii) Seller shall have no liability pursuant to Sections 8.1(b)(i) until the aggregate amount of all Losses incurred by the Buyer Indemnified Parties that are subject to indemnification pursuant to Sections 8.1(b)(i) equals or exceeds \$1,000,000 (the “**Deductible Amount**”), in which event Seller shall be liable for Losses only to the extent they are in excess of the Deductible Amount; *provided, however*, that the Deductible Amount shall not apply to any breaches of the Seller Fundamental Representations or the representations and warranties in Sections 4.10, 4.12 and 4.18;

(iv) in no event shall Seller’s aggregate liability arising out of or relating to, a breach or inaccuracy of a representation and warranty in this Agreement or a breach of a covenant or obligation set forth in Article VI (whether based on contract, tort, strict liability, other Laws or otherwise), exceed \$15,000,000 (the “**Liability Cap**”); *provided* that the foregoing Liability Cap shall not apply to Losses relating to any breach or inaccuracy of a Seller Fundamental Representation, any representation or warranty set forth in Section 4.10 or 4.18 or any covenant or obligation in Section 6.3, 6.7, 6.8, 6.10, 6.11, 6.13, 6.14, 6.16, 6.18, 6.19, 6.21, 6.22, 6.23 or 6.24; **[NOTE: CAP RELATED TO REAL ESTATE REPS AND COVENANTS TO BE DISCUSSED WITH OVERALL RESOLUTION OF REAL ESTATE RIGHTS TO BE TRANSFERRED]**

(v) Buyer shall have no liability pursuant to 8.1(a)(i) until the aggregate amount of all Losses incurred by the Seller Indemnified Parties that are subject to indemnification pursuant to 8.1(a)(i) equals or exceeds the Deductible, in which event Buyer shall be liable for Losses only to the extent they are in excess of the Deductible Amount; *provided, however*, that the Deductible Amount shall not apply to any breaches of the Buyer Fundamental Representations; and

(vi) in no event shall Buyer’s aggregate liability arising out of or relating to a breach or inaccuracy of a representation and warranty in this Agreement or a breach of a covenant or obligation set forth in Article VI (whether based on contract, tort, strict liability, other Laws or otherwise), exceed \$15,000,000; *provided* that the foregoing liability cap shall not apply to Losses relating to any breach or inaccuracy of any Buyer Fundamental Representation or any covenant or obligation in Section 6.3, 6.7, 6.8, 6.15, 6.17 or 6.24 or the obligation of the Buyer to pay the Purchase Price as set forth in Article III.

(d) The rights of the Buyer to indemnification or any other remedy under this Agreement shall not be impacted or limited by any knowledge that the Buyer may have acquired, or could have acquired, on or after the Effective Date. Seller hereby acknowledges that, regardless of any investigation made (or not made) by or on behalf of the Buyer, regardless of the results of any such investigation and regardless of any knowledge that the Buyer may have acquired or could have acquired, Buyer has entered into this Agreement (and the Closing if occurring) in express reliance upon the representations, warranties, covenants and agreements of the Seller made in this Agreement and the indemnification and other remedies of Buyer under this Agreement; provided that Seller shall have no obligation to indemnify Buyer with respect to any representation or warranty made by Seller, which [] of Buyer actually knew was inaccurate prior to the Effective Date, except with respect to (i) any Seller Fundamental Representation or representation or warranty in Section 4.10, (ii) any representation or warranty relating to title to, or Encumbrances on, any Acquired Assets or (iii) any Loss relating to,

resulting from or arising out of any Encumbrance. For purpose of the previous sentence, the inclusion of documents in any “electronic data room” or the availability of documents to Buyer shall not, without more, constitute actual knowledge.

(e) The expiration or termination of any representation warranty, covenant or agreement shall not affect the Parties’ obligations under this Section 8.1 if the Indemnitee provided the Person required to provide indemnification under this Agreement (the “**Indemnifying Party**”) with proper notice of the claim or event for which indemnification is sought prior to such expiration, termination or extinguishment.

(f) Except for intentional misrepresentation or fraud or to the extent otherwise provided in Article IX or in Section 6.8(d), the rights and remedies of Seller and Buyer under this Article VIII are exclusive and in lieu of any and all other rights and remedies which Seller and Buyer may have under this Agreement or otherwise for monetary relief after the occurrence of the Closing with respect to any breach of or failure to perform any covenant, agreement, or representation or warranty set forth in this Agreement. Notwithstanding any provision in this Agreement to the contrary, each Party shall have the express right to collect amounts payable under this Agreement pursuant to legal action.

Section 8.2 Defense of Claims.

(a) If any Indemnitee receives notice of the assertion of any claim or of the commencement of any claim, action, or proceeding made or brought by any Person who is not a Party to this Agreement or any Affiliate of a Party to this Agreement (a “**Third Party Claim**”), including but not limited to an information document request or a notice of proposed disallowance issued by the IRS relating to a matter covered by Section 6.8, with respect to which indemnification is to be sought from an Indemnifying Party, the Indemnitee shall give such Indemnifying Party reasonably prompt written notice thereof, but in any event such notice shall not be given later than twenty (20) calendar days after the Indemnitee’s receipt of notice of such Third Party Claim. Such notice shall describe the nature of the Third Party Claim in reasonable detail and shall indicate the estimated amount, if practicable, of the Indemnifiable Loss that has been or may be sustained by the Indemnitee. The Indemnifying Party will have the right to participate in or, by giving written notice to the Indemnitee, to elect to assume the defense of any Third Party Claim at such Indemnifying Party’s expense and by such Indemnifying Party’s own counsel, provided that the counsel for the Indemnifying Party who shall conduct the defense of such Third Party Claim shall be reasonably satisfactory to the Indemnitee. The Indemnitee shall cooperate in good faith in such defense at such Indemnitee’s own expense. If an Indemnifying Party elects not to assume the defense of any Third Party Claim, the Indemnitee may compromise or settle such Third Party Claim over the objection of the Indemnifying Party, which settlement or compromise shall conclusively establish the Indemnifying Party’s Liability pursuant to this Agreement; provided, however, that the Indemnitee provides written notice to the Indemnifying Party of its intent to settle and such notice reasonably describes the terms of such settlement at least ten (10) Business Days prior to entering into any settlement.

(b) (i) If, within twenty (20) calendar days after an Indemnitee provides written notice to the Indemnifying Party of any Third Party Claims, the Indemnitee receives written notice from the Indemnifying Party that such Indemnifying Party has elected to assume

the defense of such Third Party Claim as provided in Section 8.2(a), the Indemnifying Party will not be liable for any legal expenses subsequently incurred by the Indemnitee in connection with the defense thereof; provided, however, that if the Indemnifying Party shall fail to take reasonable steps necessary to defend diligently such Third Party Claim within twenty (20) calendar days after receiving notice from the Indemnitee that the Indemnitee believes the Indemnifying Party has failed to take such steps, the Indemnitee may assume its own defense and the Indemnifying Party shall be liable for all reasonable expenses thereof.

(ii) Without the prior written consent of the Indemnitee, which consent shall not be unreasonably withheld, conditioned or delayed, the Indemnifying Party shall not enter into any settlement of any Third Party Claim which would lead to Liability or create any financial or other obligation on the part of the Indemnitee for which the Indemnitee is not entitled to indemnification hereunder. If a firm offer is made to settle a Third Party Claim without leading to Liability or the creation of a financial or other obligation on the part of the Indemnitee for which the Indemnitee is not entitled to indemnification hereunder and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to the Indemnitee to that effect. If the Indemnitee fails to consent to such firm offer within twenty (20) calendar days after its receipt of such notice, the Indemnifying Party shall be relieved of its obligations to defend such Third Party Claim and the Indemnitee may contest or defend such Third Party Claim. In such event, the maximum Liability of the Indemnifying Party as to such Third Party Claim will be the amount of such settlement offer plus reasonable costs and expenses paid or incurred by Indemnitee up to the date of said notice.

(c) Any claim by an Indemnitee on account of an Indemnifiable Loss which does not result from a Third Party Claim (a “**Direct Claim**”) shall be asserted by giving the Indemnifying Party reasonably prompt written notice thereof, stating the nature of such claim in reasonable detail and indicating the estimated amount, if practicable, but in any event such notice shall not be given later than twenty (20) calendar days after the Indemnitee becomes aware of such Direct Claim, and the Indemnifying Party shall have a period of twenty (20) calendar days within which to respond to such Direct Claim. If the Indemnifying Party does not respond within such twenty (20) calendar day period, the Indemnifying Party shall be deemed to have accepted such claim. If the Indemnifying Party rejects such claim, the Indemnitee will be free to seek enforcement of its right to indemnification under this Agreement.

(d) The amount of any Indemnifiable Loss shall be reduced to the extent that the Indemnitee receives any insurance proceeds with respect to an Indemnifiable Loss. If the amount of any Indemnifiable Loss, at any time subsequent to the making of an indemnity payment in respect thereof, is reduced by recovery, settlement or otherwise under or pursuant to any insurance coverage, or pursuant to any claim, recovery, settlement or payment by, from or against any other entity, the amount of such reduction, less any costs, expenses or premiums incurred in connection therewith (together with interest thereon from the date of payment thereof to the date of repayment at the “prime rate” as published in *The Wall Street Journal*) shall promptly be repaid by the Indemnitee to the Indemnifying Party.

(e) A failure to give timely notice as provided in this Section 8.2 shall not affect the rights or obligations of any Party hereunder except if, and only to the extent that, as a result of such failure, the Party which was entitled to receive such notice was actually prejudiced

as a result of such failure.

Section 8.3 Offset.

Buyer shall have the right to offset, on a dollar for dollar basis, any portion of any payment to be made under Article III against any amount payable by Seller under this Article VIII.; provided that Buyer shall offset any such amounts against the last scheduled installment payment(s) of the Financed Amount due to Seller.

**ARTICLE IX
TERMINATION**

Section 9.1 Termination.

(a) This Agreement may be terminated at any time prior to the Closing Date by mutual written consent of Seller and Buyer.

(b) This Agreement may be terminated by Seller or Buyer, if (i) any federal or state court of competent jurisdiction shall have issued an Order permanently restraining, enjoining or otherwise prohibiting the Closing, and such Order, shall have become final and nonappealable; (ii) any Law shall have been enacted or issued by any Governmental Authority (other than Seller) which, directly or indirectly, prohibits the consummation of the Closing; or (iii) the Closing contemplated hereby shall have not occurred on or before the Termination Date); provided, that the right to terminate this Agreement under this Section 9.1(b)(iii) shall not be available to any Party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing to occur on or before such date.

(c) This Agreement may be terminated by Buyer if any of Buyer's Required Regulatory Approvals shall have been denied or shall have been granted but are not in form and substance reasonably satisfactory to Buyer.

(d) This Agreement may be terminated by Buyer if there has been one or more violations or breaches by Seller of any representation or warranty contained in this Agreement and such violation(s) or breach(es) (individually or in the aggregate) constitutes a Material Adverse Effect and is not cured by the earlier of the Closing Date or thirty (30) days after receipt by Seller (or by Buyer in the case of notice by Seller pursuant to Section 6.9) of written notice specifying particularly such violation(s) or breach(es).

(e) This Agreement may be terminated by Seller if there has been one or more violations or breaches by Buyer of any representation or warranty contained in this Agreement and such violation(s) or breach(es) (individually or in the aggregate) constitutes a Material Adverse Effect and is not cured by the earlier of the Closing Date or thirty (30) days after receipt by Buyer of written notice specifying particularly such violation(s) or breach(es).

(f) This Agreement may be terminated by a Party if there has been one or more material breaches by the other Party of any covenant or agreement contained in this Agreement and such breach(es) is not cured by thirty (30) days after receipt by the breaching Party of written notice specifying particularly such breach(es).

(g) This Agreement may be terminated by Buyer in accordance with the provisions of Sections 6.11(b) or (c).

Section 9.2 Effect of Termination.

(a) In the event of termination of this Agreement by Seller or Buyer pursuant to Section 9.1, written notice thereof shall promptly be given by the terminating Party to the other Party, and this Agreement shall thereupon terminate. Notwithstanding the foregoing, and subject to Sections 9.2(b) and (c), if this Agreement terminates pursuant to Section 9.1 (other than a termination under Section 9.1(d), (e) or (f) due to an intentional or willful violation or breach of any covenant, agreement, representation or warranty), this Agreement shall be null and void and neither Party shall have any liability or obligation to the other Party under this Agreement or as a result of the termination hereof. If this Agreement is terminated as provided herein, all filings, applications and other submissions made to any Governmental Authority shall, to the extent practicable, be withdrawn from the Governmental Authority to which they were made.

(b) Notwithstanding any provision herein to the contrary, if (i) this Agreement is terminated by Buyer pursuant to Section 9.1(d) or (f) or (ii) **[SELLER FAILS TO ARRANGE FOR ASSIGNMENT OF FMPA ENTITLEMENTS OR TERMINATION OF OUC AGREEMENT]**, then, in any such case, Seller shall pay Buyer, by wire transfer of immediately available funds within three (3) Business Days following the date of termination an amount equal to the [transaction costs] incurred by Buyer not to exceed \$4,000,000. **[NOTE: TRANSACTION COSTS TO BE DEFINED]**

(c) Notwithstanding any provision herein to the contrary, if this Agreement is terminated by Seller pursuant to Section 9.1(e) or (f) or if the Closing does not occur because the Federal Trade Commission or the Department of Justice deny approval of the Transaction under the HSR Act by determining that the Transaction violates U.S. antitrust laws, then, in any such case, Buyer shall pay Seller, by wire transfer of immediately available funds within three (3) Business Days following the date of such termination an amount equal to the [transaction costs] incurred by Seller not to exceed \$4,000,000.
