LETTER OF INTENT

This Letter of Intent is entered into as of May 6, 2011, between FLORIDA POWER & LIGHT COMPANY, a corporation organized under the laws of the State of Florida (“*FPL*”) and THE CITY OF VERO BEACH, a municipal corporation in, and organized under the laws of, the State of Florida (“*COVB*”). FPL and COVB are jointly referred to as the “*Parties*” and individually as a “*Party*”.

This Letter of Intent is based on our current understanding of the matters set forth herein. It is not a complete statement of all terms and conditions of the Potential Transaction (as such term is defined below), but provides a basis for further discussions and negotiations between the Parties. Except as expressly set forth in Part II, Article 4 below, this Letter of Intent is not, and shall not be deemed or construed to be, legally binding on the Parties and nothing contained herein (except as set forth in said Part II, Article 4) shall impose, or shall be deemed or construed to impose, any obligations, duties, or liabilities on the part of either Party.

PART I

FPL and COVB are considering a potential transaction (the “*Potential Transaction*”), whereby FPL would purchase the electric utility assets of COVB located in Indian River County (“*Assets*”).

The Parties understand that additional discussions and negotiations with respect to the Potential Transaction are required, and that neither Party is bound to proceed with the Potential Transaction unless and until mutually acceptable, definitive Purchase and Sale Agreement and related agreements and documents are negotiated, approved and executed (the “*Definitive Agreements*”) and certain other conditions precedent as set forth in this Letter of Intent and the Definitive Agreements (including without limitation FPL senior management and board of director approvals) are satisfied. However, to facilitate further such discussions and negotiations, the Parties desire to set forth below the basic proposed terms of the Potential Transaction and their understandings with respect thereto:

- A. Purchase Price. Based on the information available to date and subject to the conditions precedent set forth below and in the Definitive Agreements, FPL would acquire the Assets, free and clear of all liens and encumbrances at the closing of the Potential Transaction, for an amount to be mutually agreed upon by the Parties (the “*Purchase Price*”), subject to appropriate adjustments to be mutually agreed upon, including adjustment for accrued pension and other employee-related obligations associated with the Transferred Employees (as defined below) as of the date of the closing of the Potential Transaction. The Purchase Price would be paid in cash or in immediately available funds at such closing, subject to appropriate holdbacks.

4MC

- B. Retail Electric Service. Subject to such approvals as may be required by the Florida Public Service Commission (“*FPSC*”), FPL would provide retail electric service to all customers (including COVB facilities) currently served by the COVB electric utility at FPL’s then current FPSC approved retail rates and subject to FPL’s approved electric tariff, all as may be revised from time to time under FPSC jurisdiction. COVB’s adoption of a franchise ordinance on terms acceptable to FPL will be a condition precedent to the closing of the Potential Transaction.
- C. Retention of Employees. FPL shall retain COVB electric utility employees whose services or work assignments are directly associated with the Assets and who are active employees on the closing date (“*Transferred Employees*”) for two (2) years from the closing date on terms and conditions to be negotiated by the Parties.
- D. Transfers to FPL. COVB shall provide to FPL the following:
- i) assignment of all of COVB’s rights and obligations, free of any and all liens and encumbrances, under the contracts related to the Assets;
 - ii) transfer of 100% ownership to all land, buildings fixtures and improvements providing marketable title to the real property related to the Assets (other than the real property on which COVB’s power plant is located (“*Power Plant Real Property*”)), including, but not limited to leases, easements and licenses, free of any and all liens and subject only to those encumbrances approved by FPL in its sole discretion, as well as transfer of 100% ownership to all personal property related to the Assets, free of any and all liens and encumbrances, including but not limited to COVB’s power plant, transmission and distribution facilities, related buildings, equipment, interconnection facilities, switchyard facilities, telecommunication equipment and radios (including all licenses therefor), fuel inventories, fuel tanks, natural gas transportation, tools, spare parts and all other inventories of materials and supplies;
 - iii) transfer of all COVB electric utility accounting books and records, customer-related assets and Transferred Employees-related assets; and
 - iv) transfer of all permits, licenses, contracts, models, systems and rights thereunder associated with the forecasting, modeling, management and operation of the Assets.
- E. Power Plant Real Property. COVB shall retain ownership of the Power Plant Real Property, and FPL shall lease such real property from COVB on terms acceptable to FPL. FPL shall determine, in its sole discretion, if and when the power plant is removed from service. Upon removal of the power plant from service, FPL shall be responsible for dismantling the power plant. Upon completion of such

dismantling, the lease shall terminate and use of such real property shall revert to COVB, which use shall be at the sole discretion of COVB. All costs of any environmental remediation of such real property (other than resulting from releases caused by FPL after the closing of the Potential Transaction) shall be the responsibility of COVB. A condition to the closing of the Potential Transaction shall be that the lease of the Power Plant Real Property to FPL is approved in accordance with the Charter of COVB.

- F. Liabilities. COVB shall retain, and indemnify FPL from, all liabilities (including environmental liabilities) relating to the Assets and Transferred Employees arising from acts, omissions, events, conditions or circumstances occurring prior to the closing of the Potential Transaction.

- G. Orlando Utilities Commission Agreement. As a condition to the closing of the Potential Transaction, COVB shall negotiate a termination of the Agreement for Purchase and Sale of Electric Energy and Capacity, Gas Transportation Capacity and Asset Management Services Agreement between COVB and the Orlando Utilities Commission dated April 21, 2008, that is mutually acceptable to COVB and the Orlando Utilities Commission. COVB shall be responsible for any payments owed to the Orlando Utilities Commission as a result of such termination.

- H. Florida Municipal Power Agency Entitlements. As a condition to the closing of the Potential Transaction, COVB shall transfer to another FMPA member the rights to receive capacity and energy from the generation entitlements to the following contracts:
 - i) St. Lucie Project Power Sales Contract, by and between the Florida Municipal Power Agency and the COVB, dated June 1, 1982, as amended;
 - ii) St. Lucie Project Power Support Contract, by and between the Florida Municipal Power Agency and COVB, dated June 1, 1982, as amended;
 - iii) Stanton I Power Sales Contract, by and between the Florida Municipal Power Agency, and COVB, dated January 16, 1984;
 - iv) Stanton I Power Support Contract, by and between the Florida Municipal Power Agency, and COVB, dated January 16, 1984; and
 - v) Stanton II Power Sales and Project Support Contract, by and between the Florida Municipal Power Agency, and COVB, dated April 17, 1991.

FPL shall not be responsible for any payments or other liabilities related to such transfer.

- I. Territorial Agreement. As a condition to the closing of the Potential Transaction,

3

the Parties would jointly terminate the Territorial Boundary Agreement dated June 11, 1980, between FPL and COVB.

- J. Pole Leases. COVB shall assign to FPL all of COVB's rights and obligations under agreements leasing, or providing rights to use, any portion of the Assets, including poles.
- K. Separation of Assets. To the extent the Assets need to be separated from other COVB assets, such separation shall be at the cost of COVB.

PART II

ARTICLE 1. DUE DILIGENCE

Section 1.1 FPL and the COVB shall have the right to evaluate the Potential Transaction through due diligence of COVB and the Assets, including but not be limited to review of information regarding:

- (a) material litigation and claims, including matters threatened but not yet brought;

- (g) operational documents/information regarding the assets, including documentation of electrical and steam output maintenance records and plans;
- (h) security and safety plans;
- (i) material contracts;
- (j) instruments of indebtedness, including notes, loans, synthetic leases, guarantees, letters of credit, etc.; and

- (k) labor and employment matters, including employee benefits and compensation, employee claims and/or litigation, and grievances and/or arbitrations.

In conducting its due diligence, FPL's and COVB's review would also include, but not be limited to, a review of the physical assets and risk management/insurance records related to the Assets and an environmental audit.

Section 1.2 FPL and COVB will use commercially reasonable efforts to complete its due diligence of COVB and the Assets by no later than July 1, 2011. COVB would make available all documents, reports, studies, contracts and other tangible or electronic items and information as may exist relating to the Assets, including the forecasting, modeling, management and operation of the Assets. COVB will make available to FPL all of COVB's certain employees, vendors, contractors and advisors engaged prior to or subsequent to the date of this Letter of Intent so that FPL's representatives may have reasonable access to information developed or retained by such employees, vendors, contractors and advisors in relation to the Assets and reasonable opportunity to discuss such information with such persons.

Section 2.1 COVB shall not be required to execute any Definitive Agreement unless the COVB's City Council approves, in its sole discretion, entering into the Definitive Agreements.
