(To be Determined by Planning and Development Department)

The following information must be submitted with your application:

1. BUILDING MARKET VALUE \$ _____

Unless the applicant chooses one of the alternate sources listed below, the Planning and Development staff will fill in the building market value based on 115% of the most recent Indian River County Property Appraiser's Record of Building Value.*

2. ESTIMATED COST OF IMPROVEMENT: \$ _____
(Owner/Contractor)

I hereby certify that the cost estimate submitted includes all the costs of improvements to structure located at the above referenced location.

OWNER OR PRIME CONTRACTOR

LICENSE NUMBER

SIGNATURE

* **Acceptable estimate of market value can be obtained from the follow alternate sources:**

1. Independent appraisals by a professional appraiser.
2. Detailed estimates of the structure's actual cash value.
3. The value of buildings taken from National Flood Insurance Claims Data.
4. **"Qualified Estimates"** based on sound professional judgment made by professional staff of Indian River County Building Division.

If an alternate estimate of building market value is to be used, information from any of the above sources must be attached to this information sheet.
