New Construction Account / Tear Down / Rebuild – **Complete and return this form at the time of application if applicable** – This form provides Customer Service with the information required to calculate any credit(s) that may be applicable.

Water Meter Sizing and Sewer Connection for Commercial Service – **Complete and return this form at the time of application** – This form provides Customer Service with the information required to determine the minimum size water meter and to calculate the fees required for application.

Required Building Application Information / Documentation

- Building Permit – Actual Permit or Copy – * Permit numbers **NOT** acceptable *
- Plumber's name and telephone number
- At the time of application, we must know the number of apts, condo units, commercial units, etc.
- Irrigation Service—The flow per minute of the largest irrigation zone (25 or 30 gpm for example) must be provided on the application
- All fees are to be paid at the time of application for service.
- **Mail to:** City of Vero Beach
P.O. Box 1389
Vero Beach, FL 32961-1389
- **email to :** custsvc@covb.org
- **Fax to :** (772) 978-5125

NOTE: If there is Temporary Utility Service for Construction, it is still necessary to make an application for the permanent service.

It is critical that the information given at the time of application is complete and accurate. Inaccurate or incomplete information will cause delays in the installation of the meters and may result in additional service charges being applied. Keep this copy for your records.

WATER OR IRRIGATION SERVICE -TEMPORARY & PERMANENT SERVICE

- The customer must complete a service application at the address shown above.
- A service order will be routed to Water & Sewer Department
- Water & Sewer Department will schedule date and time meter will be set

All water and irrigation meters must have an appropriate backflow prevention device installed prior to a meter being set.

All water meters larger than 2" to be purchased and installed by the developer subject to approval by Water and Sewer.

***For specific information, please call Water & Sewer (772) 978-5220**

The Customer Service staff **CANNOT provide a date or time for the installation of any meter and/or utility service.**
