

11 D-1

CITY COUNCIL REGULAR MEETING

April 18, 2023

OLD BUSINESS

- A. Three Corners Project
 - a. Update on “Project Manager” interviews, contract negotiations, and probable start date.
 - b. Update on two timeframes; a) the selection of the “planning consultant” who will assist in the development of the Zoning Text and Map Amendments followed by b) the presentation of the Amended Comprehensive Plan to the City Planning & Zoning Board for review and approval.
 - c. Update on two timeframes; a) the selection, negotiation and preparation of the contract with “the outside consultant” who will assist in the development of a Request for Proposals (RFP) followed by b) date for submittal to each interested Development Company and Team.
 - d. Update on the Water Reclamation Facility (WRC) at the Airport. Key decisions made and milestones completed since the February 2023 Council meeting.
 - e. Since we have missed several deadlines listed on the Three Corners Schedule prepared by Mr. Jefferies, we need to discuss as a Team how to get back on track?
