

**CITY COUNCIL REGULAR MEETING****April 18, 2023****OLD BUSINESS**

- A. Since timelines are slipping for the major projects being supported by Outside Architectural, Engineering and Planning Consultants. In order to make appropriate decisions going forward, the Council must have a status update of Project milestones as compared to the original agreed production schedule in their contract. The specific projects include:
- a. Three Corners Project
    - i. Planning Consultant for Plan Amendments and Re-Zoning
    - ii. Marketing Consultant for RFP preparation
    - iii. Traffic Study
    - iv. Environmental Study
  - b. Water Reclamation Facility (WRF)
    - i. Engineering Consultant
    - ii. Process Consultant
    - iii. Stormwater Irrigation Pipeline
  - c. City Marina Expansion
    - i. Architectural Consultant
    - ii. Civil Engineering Consultant
    - iii. Building Engineering Consultant
  - d. Lane Reduction Analysis – SR-60
    - i. Data Analysis - Phase I (Tasks 2 and 4)
    - ii. Technical Details – Phase II (Tasks 1 and 3)
    - iii. Presentations – Phase III
  - e. Downtown Master Plan
    - i. Retail Consultant - Phase I
    - ii. Planning Consultant - Phase II
